Welcome to 'Spiritual Warfare: How to Identify and Overcome Spiritual Attack'!

- Would you like Biblical tools to help yourself and others identify and overturn spiritual attack?
- Have you experienced oppression or pressure that you believe is from a spiritual source?
- Would you like to develop an overcoming mindset?
- Are you interested in an approach to spiritual warfare that always leads you back to an attitude of worship?
- Would you like practical and actionable steps to combat spiritual warfare?

If your answer is 'yes' to the above, and you'd like a faith-based approach to spiritual warfare that is focused *more* on God's supremacy than on the demonic realm, this course is for you.

During a comprehensive, 5-part series of mini-lectures on video and PDF, I will give you clear guidelines and step by step points on how to recognize and combat spiritual attack.

At the end of this course, you will be able to:

- Describe a Biblical perspective and mindset that will help shield against and gain victory over a spiritual attack
- Have a grasp of the reasons why God allows spiritual attack and how it can be turned around and used for good
- Identify the signs of a spiritual attack
- Identify the reason for and messages behind a spiritual attack
- Receive keys to overcoming a python-type spiritual attack
- Combat and overcome spiritual warfare and oppression through applying the Biblical steps throughout this course

NEW: Recover your breath (PDF): Keys to overcoming a python spirit that tries to rob you of strength, your prophetic destiny and influence.

This course comes with a complete downloadable PDF of the entire transcript, so you can also read it at your leisure.

BONUS CONTENT: You can also download a free copy of my eBook 'The Script: Choose Your Story, Change Your Life'.

A message from Helen Calder:

'Because of early traumas I had with the demonic realm, there was a distortion in my thinking.

I knew what the Bible said.

I knew in my head that Jesus IS more powerful than demons.

But in my experience, it seemed like the demonic realm was stronger.

It was a lie that was lodged deep down, that I lived with for many years.

Jesus said, *'you will know the truth and the truth will set you free'* (John 8:32). Now, I am grateful for those who have instilled the truth of God's Word into my life; a truth that has set me free, and given me a different perspective.

Every week, thousands of people are coming to my online teachings on spiritual warfare and discernment. They are finding Enliven Blog. And many of them are fighting battles and asking the same questions that I did.

They're in places where I've been.

The Apostle Paul wrote, in 2nd Timothy 4:18, *'The Lord will rescue me from every evil attack and will bring me safely to his heavenly kingdom.'*

And whether or not you can relate to my experiences, I can tell you that you do not have to put up with demonic pressure, with attack, however it comes, You are not helpless, you are not a victim, but you are more than a Conqueror in Christ.'

Feedback:

'It is one of the most powerful and life-giving studies I have ever done! Hope and courage will be restored to all who do it!' (Steve McCracken)

'We have been able to put into practice the weapons of warfare the Lord has given to us, and as a result we are feeling a whole heap freer! It has been a very helpful course and we recommend it to everyone, but most especially to leaders.' (Pastors Wayne and Nicky)

'It was an eye opener, and I never thought about viewing Spiritual Warfare in the way that you explained it. One of the things that I like was when King David before going into battle always inquired of the Lord. Not only did the Lord give him the outcome of the battle but he gave him the strategies and was with David in the battle. I need to do the same.' (Beatrice)

'Such a blessing, lots of insight and help. I particularly like the music after each part and invitation to ask the Lord the way to go. The pdf's are also excellent and I look forward to reading them'. (Jean)

Such a blessing, lots of insight and help. I particularly like the music after each part and invitation to ask the Lord the way to go. The pdf's are also excellent and I look forward to reading them. I will replay whole course as I have not taken it all in & God speaks afresh each time I have not used the message board yet but that was because I needed to go through it all first.
